

**Park Medical Centre - Fees for non-NHS Services - effective 20th November 2018**

<b>Access to Records</b>		
From 25th May 2018 as a result of the implementation of GDPR we no longer charge for access to medical records. It is the practice policy, where appropriate, to encourage the use of Patient Access for the self management and provision of patients medical records to relevant third parties (such as insurance companies and solicitors). Please ask at reception for further details of this service.
